

The Achill Range

A modern industrial style using simple materials to build a fresh impressive space. The textured oak and soft leather add a natural warmth with space to admire the wild Atlantic coast.

Sligo Range

Unique stylish kitchen design with its sweeping curved island and wenge handles, makes a strong statement in this kitchen. A marriage of form and function, the curved wenge breakfast bar and white Corian worktop offer plenty of practical workspace along with a cleverly incorporated seating area.

Rosemalley Range

Luxurious style Kitchen with classic detailing and rich American walnut create a wonderful opulent feeling which compliments the magnificent views.

Westport Range

This bright and airy kitchen is full of natural light with its high ceiling. The mix of colours and wood give this kitchen a cosy mood.

Country Lodge Range

The Irish classic style – It's everything that its name suggests; a timeless and quintessentially Irish kitchen that has all the emotion and majesty of an Elgar symphony, made possible by the beautiful detailing and elegant symmetry.

Galway Range

Wonderful Oak Kitchen that's a perfect space for family and entertaining. The rich detail in the Character Oak creates a warm and welcoming space, enhanced by the white Painted hardwood on the rest of the kitchen.

Clare Range

As kitchen trends come and go, this elegant design can be updated with a coat of paint and new handles – particularly useful when you know they're going to be around for the next generation.

Rosbeg Range

Flat Panel Kitchen with S-shaped island. This design shows the diversity of the design and product style specific to Creative wood. This particular kitchen moves away from our normal inset door with frame design and boasts a simplistic veneered flat panel door geared towards the ultra-modern kitchen lover. The stunning island unit literally sweeps through the kitchen area and effortlessly serves the all-important preparation, cooking and wash-up area, not to mention a comfortable seating area with solid walnut table cleverly worked into this design.

Burrishoole Range

This solid painted kitchen has unique characteristics that reinforce Creative wood's position as a true manufacturer of bespoke furniture. The contrast in depth between the painted cabinets and the solid teak work surface make this kitchen the epitome of what is both authentic and practical.

Rathbawn Range

A stunning solid wood painted kitchen. A great layout with a large sweeping island which takes centre stage.

Kildare Range

Timeless classic; the painted traditional style Kitchen made from solid Mahogany. This kitchen maintains an effortless rustic glow which demonstrates its ability to marry the traditional, country style kitchen with busy, modern-day living.

Mullingar Range

A traditional style Kitchen with a curved island, enhancing the space and making for a stunning Kitchen design

Ranelagh Range

A beautiful mix of painted and natural wood finish. With a curved over hanging island for additional floor space and added functionality.

Carrabawn Range

This unique design made to compliment the natural style, flare and design of this fabulous home

Sienna Range

This range is a beautiful Matt Velvet Lacquered Slab with rounded edges and a perfectly smooth finish giving you a sleek, modern look for your new kitchen

Elba Beton

Discover the finely textured surfaces of the ELBA kitchen range in the modern concrete look. This ultra modern kitchen includes all the essential elements of an ultra modern home with a charging station, blue tooth audio system and LED lighting.

Gala Kitchen

The Gala Crystal Range finished in a brilliant high gloss, maintains the crisp clean elegance of this bright and airy space.

Biella Moss Green

This statement Kitchen is fabulously finished in a satin green colour and a grey textured splash back.

Bari Castell

This kitchen collection maintains excellent build quality, combined with precise German Kitchen engineering.

Alea Crystal

Fabulous High Gloss Kitchen, finished in crystal White color and wrapped with a hard wooden worktop. This kitchen cleverly integrates modern styles while maintaining a cool natural feel.
